5. Use of Facilities and Allow Alcohol - We have had two separate requests. The first request comes from the community group that plans to hold a summer alumni reunion. They would like to use the facilities and allow alcohol use. This is the same group that made a request several months ago. They have respectfully requested another audience with the board. The second request comes with the scheduling of the National Guard Ball. The National Guard has requested the use of the facility and use of alcohol for January 8<sup>th</sup>. This situation brings some unique circumstances to the use of the facility. We have a Lease, Maintenance and Use Agreement with the National Guard and the school attorney has been given a copy for his perusal. I have asked the he give us an opinion by Monday. Likewise, I have asked that the National Guard give us the name of their contact so that Mr. Braley and they can talk as needed.
